First Parish in Brookline Bylaws permit early voting for members who are not able to join an Annual Meeting. In order for your ballot to be counted, please mark with X's and return your completed document by email to church administrator Ebiere Omoregie admin@firstparishinbrookline.org by Friday, May 20th. If you must use mail, please call Ebiere at 617-566-1933 to alert her to ensure its delivery in time to be counted. Please note, too, that if a motion on the ballot is amended during the Meeting, early voting ballots on that original motion have to be disregarded.
